

ST PETER'S POST

YR6 RESIDENTIAL

Year 6 have had a fantastic residential trip to Robinwood where they threw themselves into every challenge with enthusiasm and determination. They took part in the Nightline activities, canoeing, high-wire courses, archery, the Piranha Tank Escape, giant swing and lots, lots more. Every one of our children showed incredible courage as they challenged themselves to reach new heights and take part in new experiences. Well done Year 6!

CROSBY BEACH

Year 1 and Year 2 enjoyed a fantastic visit to Crosby Beach earlier this week, where they explored the famous Another Place statues by Antony Gormley. The children loved spotting the figures along the shoreline and learning more about this incredible piece of art.

ST PETER'S POST

LIVERPOOL WORLD MUSEUM

Year 3 had a wonderful time visiting the World Museum in Liverpool. The children enjoyed exploring the fascinating exhibits, discovering amazing facts and taking part in exciting learning activities. It was a memorable day that brought their classroom learning to life!

Ways to Beat Head Lice

Ask the pharmacy team what products will work best for you

You need to check the hair for lice at least twice a week, every week

Wet-Combing is the best method of detecting and removing lice and nits

Only use a lice treatment if live lice are actually present in the hair

Make sure to treat every affected family member at the same time
