

ST PETER'S POST

A BIG GOODBYE

Year 6, as you leave St Peter's and begin your exciting journey to high school, we want you to know how incredibly proud we are of everything you have achieved. You have grown in confidence, kindness, and character, and we know you will take these wonderful qualities with you wherever you go. While it is time to spread your wings and embrace new opportunities, remember that you will always be a valued part of the St Peter's family. We will cherish the memories you have made here, celebrate your future successes from afar, and always look forward to hearing about the amazing things you accomplish. We wish each of you every happiness, success, and blessing in this exciting new chapter.

We also say goodbye to several children who are moving on to new schools. We are so proud of all they have achieved and wish them every happiness and success in their next adventure. Good luck—you will be missed!

We finally say a fond farewell to Miss Grossie and Mrs Dutton as they begin exciting new adventures at other schools. Thank you for all the care, encouragement, and dedication you have shown to the children and our school community. You will both be greatly missed, but we know you will make a wonderful difference in your new roles. On behalf of everyone at St Peter's, we wish you every happiness and success in this new chapter!

SUPER SPORTSMAN

This superstar only went an won the 'Outstanding Achievement' trophy for his team 'Jam'! Well done!

HIVE TRIP

The Hive students had the best day on their trip to Gulliver's World! From exciting rides to lots of laughter and fun with friends, every moment was filled with smiles and memories. The children were a credit to our school, showing fantastic behaviour throughout the day, and everyone returned home tired but happy after a wonderful adventure together.

HEADTEACHERS AWARD

Congratulations to this year's winner of the Headteacher's Award! This special recognition is made even more meaningful because it was voted for by all of the staff at St Peter's. You are a well deserved winner and all of St Peter's community are extremely proud of you!

LEAVERS FESTIVAL

Year 6 had a fantastic time at their Leavers' Festival, enjoying an evening full of food and laughter. They loved spending time with their friends, taking part in games, dancing to music, and celebrating all they have achieved during their time at primary school. The festival was a wonderful opportunity to reflect on their journey together, create lasting memories, and mark the end of this important chapter before they move on to secondary school. It was a truly special occasion that everyone will remember fondly.

OPEN WATER: DON'T TAKE THE RISK

Swimming in or playing near rivers and canals may seem like a great idea, particularly on a warm day, but it could all end in tragedy. **DON'T take the risk.**

THE WATER IS COLD...
...even on very warm days, rivers and canals contain water barely above 10 degrees. Sudden immersion can lead to cold water shock, which can cause gasping and intake of water.
This can be deadly in a matter of seconds.

DID YOU KNOW?
Even the narrowest of rivers can be considerably deep. Rivers are subject to strong flow and **hidden currents** which can trouble even the strongest of swimmers.

WHAT LIES BENEATH?
The water is untreated and can make you ill.
Canals and rivers contain pollutants, sewage and often unseen underwater obstructions and snag hazards.

Debris under the water such as shopping trolleys, broken glass and cans can cause **injury** or **trap** you.

Remember, there are no lifeguards to help you at your local river, lake, canal or dam.

Rivers can be very difficult to climb out of, especially with steep or slimy banks. **Stay clear of rivers with steep or unguarded banks.**

IN AN EMERGENCY...NEVER enter the water to try and help a person or animal. You could get into difficulty yourself. Instead, dial 999 and use any water rescue equipment that is available.

If you fall into the water unexpectedly, fight your instinct to thrash around. Instead, lean back, extend your arms and legs & float.

BEACH SAFETY: KNOW THE DANGERS

MUD AND QUICKSAND
Large areas of the coast can have mud and quicksand which can cause you to get trapped and risk drowning.

REDUCE THE RISK
Check tide times
Follow warning sign advice
Avoid crossing estuaries and mud where there can be hidden channels or fast water
If trapped, **sit back and spread your weight evenly across the surface**
Stop others from trying to help you as they may get stuck
Call **999** immediately and ask for the **Coastguard**

DO NOT USE INFLATABLES
Strong currents can sweep inflatables and people out to sea

FOLLOW THE FLAGS
There are lifeguards in the area. Swim between the two flags.
Do not enter the water. There could be unseen dangers such as currents.
No swimming in this area. There may be non-powered watercraft such as surfboards, kayaks, etc. in this area.

IF YOU SEE SOMEONE STRUGGLING:
PHONE 999
Tell them to **FLOAT** on their back
THROW them something to help them float

PHONE FLOAT THROW

TOP TIP
ALWAYS GO TO A BEACH WITH A LIFEGUARD
