

F1 ASSEMBLY

Foundation 1 enjoyed sharing their assembly earlier this week, all about God's Creation Story. The children did a wonderful job sharing their learning and celebrating the beauty of God's world. A big thank you to all the parents, families and friends who came along to watch and support our children. Your support means so much to us, and we are very proud of our Foundation 1 stars!

FOOTBALL

A selection of our Key Stage 2 children took part in a football match this week, proudly representing St Peter's! The children showed great teamwork, enthusiasm and sportsmanship throughout the game. Every player supporting one another, played their best and representing our school so brilliantly. Well done, everyone!

If your Preschool/F1 child attends afternoon sessions please bring them in at 9am for their class photograph

DODGEBALL

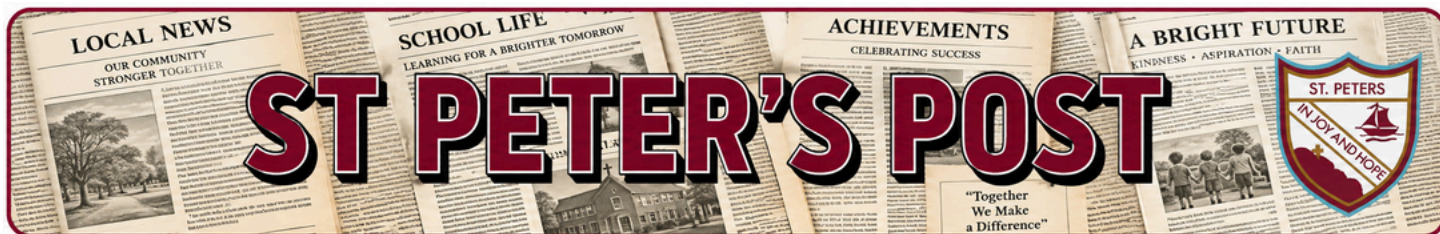

There was plenty of excitement in St Peter's this week as our children took part in a dodgeball competition! With quick reactions, some brilliant throws and lots of determination, the children had a fantastic time battling it out on the court. To top it all off, we won the majority of our matches! A huge well done to everyone who took part and enjoyed this fun-filled sporting event.

MOVING VEHICLES

Year 1 have been busy exploring the world of moving vehicles in their Design and Technology lessons this term. After researching different types of vehicles and designing their own ideas, the exciting moment finally arrived this week for the children to bring their designs to life! The classroom was full of creativity as everyone got stuck into making their very own moving vehicle. The children had a fantastic time building their creations and they looked amazing once they were finished!

CERTIFICATE WINNERS

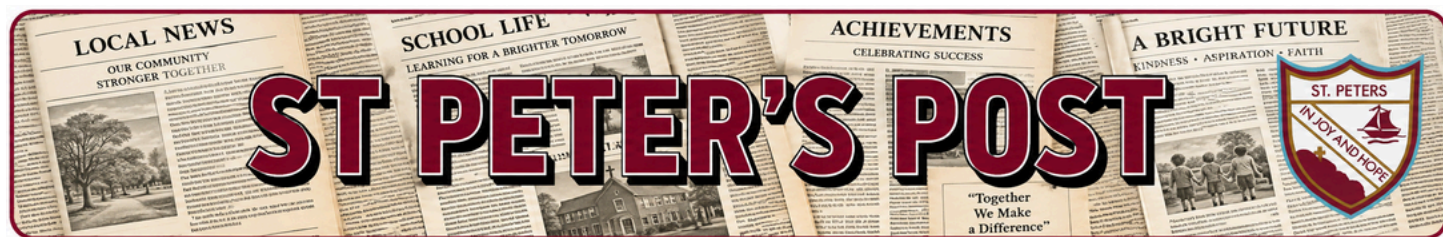

This week marks the final week of celebrating our Be Happy value, and our winners have certainly earned their certificates! It has been wonderful to see so many children spreading happiness, showing kindness and making positive choices around school. We also presented our Playground Award certificates to children who have been fantastic role models during playtimes, alongside our Attendance and Punctuality certificates to recognise those who have made a great effort to be in school every day and arrive on time. We are incredibly proud of all our certificate winners and the positive attitudes they continue to show. A huge well done to everyone who received an award this week!

POLICE WORKSHOP

We were delighted to welcome Merseyside Police into St Peter's this week for an important and informative session with our children all about fire safety and keeping safe when out and about. The children had the opportunity to learn about the dangers of fire, how to stay safe in different situations and what to do if they ever find themselves in an emergency. They also discussed the importance of making sensible choices when out in the community and how to look after themselves and others. The sessions were a fantastic opportunity for the children to ask questions, share their own experiences and develop a better understanding of how to keep themselves safe both at home and when out and about. A huge thank you to Merseyside Police for taking the time to visit us and deliver such valuable safety messages to our children. We really appreciate your support in helping our pupils learn how to make safe and responsible choices!

Ways to Beat Head Lice

Ask the pharmacy team what products will work best for you

You need to check the hair for lice at least twice a week, every week

Wet-Combing is the best method of detecting and removing lice and nits

Only use a lice treatment if live lice are actually present in the hair

Make sure to treat every affected family member at the same time

On your Birthday

you can come to school in your own clothes instead of your uniform!

If your birthday is at a weekend or during the school holidays, you can wear your own clothes on the **Monday after or the first day back after the break**.

St Peter's Uniform Recycling

Bring in good quality uniform that is too small ASAP please. We will sort and organise everything we receive.

Fill in a request form or contact Lisa for anything you need!

E-SCOOTERS, E-BIKES AND OTHER ELECTRIC VEHICLES

A guide for parents, carers and professionals

Where can you use an e-scooter and non road legal e-bike

- ✓ Only on private land with the landowner's permission
- ✗ Not on roads, pavements, cycle lanes, car parks, or any public space.
- ✓ Only e-bikes that conform to EAPC regulations can be used on a road.

Did you know?

Thousands of illegal two-wheeled vehicles have been seized through Operation Gears, helping to tackle crime and antisocial behaviour, including drug supply, theft and violence.

The law and consequences

- E-scooters and e-bikes that don't follow EAPC regulations, are classed as motor vehicles under the Road Traffic Act 1988.
- They require a valid driving licence and insurance to be used legally on public roads.
- No licence or insurance? Your e-scooter/e-bike can be seized under Section 165a of the Road Traffic Act 1988.
- Allowing a child to use an e-scooter or illegal e-bike in public could result in penalty points or disqualification for parents and carers.

If you are prosecuted

- Riding with no licence? You'll receive 3 penalty points and a minimum of a £100 fine.
- Riding with no insurance? You'll receive 6 penalty points and a minimum of a £300 fine.
- If you ride an e-scooter/e-bike while under the influence of drugs or alcohol, you could face prosecution for driving offences, including drug-driving or drink-driving.
- If you don't hold a driver record, penalty points will be held on a 'Ghost Licence' by the DVLA. These points will carry over to your future licence.
- Your insurance costs may significantly increase for years and you may be sent to court.

TYPES OF E-BIKES AND E-SCOOTERS

E-SCOOTER
Personal Light Electric Vehicle (PLEV)

Includes powered unicycles and skateboards, go peds, segways and hoverboards – these cannot legally be used on roads, pavements or other public spaces.

There are two types:

- Privately owned
 - Rented through an authorised scheme
- Privately owned e-scooters cannot be used on public roads, pavements or cycle lanes.

An e-scooter is legal for use on the roads only if rented through a government trial scheme in a designated area. Riders must be 16+, hold a provisional GB licence and not carry passengers.

EAPC
Electrically Assisted Pedal Cycle (EAPC)

No insurance, tax, MOT or driving licence is required if you comply with the legal framework for the EAPCs. An EAPC can be ridden anywhere a standard bicycle can legally be used.

Some EAPCs have a 'Twist and Go' throttle, known as 'walk assist', which can propel the bike without pedalling at speeds of up to 3.7mph. This feature is legal if the EAPC meets the required regulations.

Only legal for use on the roads if:

- Propelled by pedals
- Doesn't exceed max output of 250w
- Cuts off electric assistance over 15.5mph
- The rider is at least over 14 years old.

The bike must also display the manufacturer's details and power output on the motor.

OFF ROAD ELECTRIC MOTORCYCLES

You may hear these motorcycles also referred to as 'scrambler bikes'

Not legal on roads unless:

- Registered with the DVLA and displaying a number plate
 - Fitted with indicators, mirrors, lights, speedometer and other features required by law
 - Tax, insured and MOT'd
 - The rider has a full motorcycle licence or has completed CBT (Compulsory Basic Training) and rides on a provisional licence with L plates displayed.
 - The rider must be wearing a motorcycle helmet.
- The lack of pedals, a large motor and battery, and the absence of indicators or a speedometer are strong signs that a vehicle is an electric motorcycle.

Know the rules before you ride

A road is classed as a:

- Highway
- Footpath
- Cycle lane
- Bridleway
- Grass verge
- Car park
