Dear Parents/Carers

We are beginning to receive information from the Department for Education following the announcement that all UK schools will close at the end of the school day this Friday.

We understand that this will be a very difficult time for some of our families and more information will follow as soon as we receive it.

Schools are being asked to open to provide care for vulnerable children and those whose parents/carers are key workers.

A full list of Key workers and vulnerable pupils will be published shortly by the Cabinet Office. We will update you again as this information becomes available.

Home learning packs for all pupils will be ready by close of day Friday.

There are lots of online resources available via our school website. Please look under the learning from home and children's tabs.

Our family liaison officer Claire Smith will also be contactable whilst our school is closed via our school office email.

We want to take this opportunity to thank all of our school community for your care and continued patience during this uncertain time.

Stay Safe, be kind and take care of each other.

Thank you

J Farrelly
